

"Crafting innovative spaces through expert consultancy and seamless construction, we transform visions into vibrant realities.
Our architecture harmonizes form and function, fostering environments that inspire and endure."

KEYSTONE is a new age construction, interior design and architectural solution company based in Bangladesh. Our objective is to change the construction and design scene in Bangladesh. We aim to have global impact as well as have positive changes in local practices. Keeping in line with that vision we have achieved both ISO 9001 and ISO 14001 certification and plan to excel in every aspect of the industry possible. Keeping our commitment to quality and precision we aspire to deliver top notch projects tailored to our clients' needs. Our perseverance is embedded in our company structure as we compromise with nothing.

KEYSTONE has started breaking conventional practices and has started implementing adventurous designs aligned with its partners' visions, breaking the age-old mold of playing safe. Architecture for better living and a better workplace. Seamlessly aligned Interior designs to perfectly harmonized landscapes.

Our projects scale from Humble residences, Offices to Resorts, Hospitality sectors and institutions along with Industries. KEYSTONE has set its foothold in a multitude of directions successfully.

GINGER Digital

Igniting Brands in the Digital Age

Ginger Digital, the electrifying wing of marketing powerhouse ZANALA Bangladesh (24 years strong), ignites brands in the digital arena. We're not your average marketing agency. We wield a potent blend of cutting-edge technology, insightful data analysis, and captivating creativity to craft hyper-targeted campaigns that resonate deeply. Imagine a dynamic orchestra – our data maestros conduct audience analysis, while our programmatic experts secure premium placements for your brand message. Creative storytellers then craft compelling narratives that captivate your target market. The result? Exponential growth and a brand story that sticks.

With over 50 satisfied international and local clients, Ginger Digital has a proven track record of transforming businesses into digital powerhouses.

ZANALA Bangladesh Ltd.

Beyond Communication, We Tell Stories That Matter.

Since 2001, ZANALA has transcended being just an agency. We're partners in progress, crafting impactful communication for Government, INGOs, and development organizations (serving 80% of the sector!).

Our expertise goes beyond strategy. We're storytellers. With 3300+ projects and 600+ clients across 30+ industries, we've connected with over 12 million people in 10 countries.

We create compelling documentaries, impactful films, and comprehensive design services.

We organize events and activations, ensuring messages resonate deeply.

Our 23+ years of experience are built on crafting communication that makes a real difference. We address societal issues with empathy and effectiveness, fostering positive change in diverse communities.

neofarmers Bangladesh Ltd. Pioneering a Safe Food Future for Bangladesh

neofarmers Bangladesh Limited is a revolution. We're the vanguard of a safer food movement, committed to nourishing Bangladesh with the safest, most natural ingredients. We bypass traditional channels, forging direct partnerships with farmers and producers nationwide. Imagine a future where every meal is a celebration of Bangladeshi bounty. Think of handpicked rice varieties cultivated by generations-old farmers, the intoxicating aroma of regional spices, and handcrafted food products bursting with natural goodness. neofarmers offers a curated selection of healthy essentials — dairy, sun-dried fish, nutrient-rich grains, time-tested Ayurvedic and herbal remedies, personal care essentials free from harsh chemicals, and a treasure trove of nuts and seeds. We're not just changing the way you eat, we're changing the food system itself. neofarmers is on a mission to make safe, healthy food accessible to every Bangladeshi household.
